

CCTV at Farnham Martial Arts

Farnham Martial Arts operates CCTV within training areas to support safety, safeguarding, and continuous improvement in coaching and performance.

Purpose of CCTV

CCTV may be used for the following legitimate purposes:

- Maintaining a safe training environment
- Reviewing accidents or incidents if they occur
- Supporting coaching and learning through review of drills, gradings, and in-house competitions

Areas Covered

Cameras are positioned in training areas only. They are not used in changing rooms, toilets, waiting areas, or any private spaces.

Access and Usage

Footage may be viewed only by authorised coaches and is used responsibly and proportionately. CCTV is not used to monitor individuals unnecessarily or for routine behaviour management.

Retention of Recordings

Recordings are normally retained for up to 48 hours before being automatically deleted. Footage may be retained for longer only where required for safeguarding, safety, or legal reasons.

Sharing and Disclosure

CCTV footage is not shared publicly and is not used for marketing or social media without appropriate consent.

Compliance

CCTV at Farnham Martial Arts is managed in line with UK data protection law and guidance from the Information Commissioner's Office (ICO).
